## DIPPING CABINET CUSTOM GRAPHICS DIMENSIONS

Models: MXDC-8 / MXDC-8 / MXDC-12

Designing custom graphics for your ice cream dipping cabinets and freezers enhances your brand and can make your product stand out from the crowd.

- All four sides or individual sides can be decorated as needed depending on cabinet placement
- Easy-to-follow design dimensions are available upon request for all models.
- OBTAINING GRAPHICS IS THE RESPONSIBILITY OF THE END USER.
- Maxx Cold does not facilitate the ordering of custom graphics.

MCDC-4 and MXDC-8 shown with sample artwork

Due to periodic changes in designs, methods, procedures, policies and regulations, the specifications contained in this sheet are subject to change without notice. While we exercise good faith efforts to provide information that is accurate, we are not responsible for errors or omissions in information provided or conclusions reached as a result of using the specifications. By using the information provided, the user assumes all risks in connection with such use.

The built in performance enhancing functions ensure that given proper attention and preventative maintenance, each Maxx Product will deliver years of trouble free, reliable, low maintenance, efficient operation.
